

# Shortbread Cello Packs & Convenience Packs

- Price Marked

With over 100 years of baking experience, our best selling shortbread is now a favourite with people of all ages. As you know, things do change so we've developed a shortbread range for today's consumer which while naturally delicious, has less than 3% saturated fat.

With its unique taste, golden appearance and rich texture, Paterson's shortbread comes in a variety of formats and weight points.

All products in the convenience pack range are price marked and packed in shelf ready display packaging.
